

# CHRIST IN YOUTH

**MIX ADULT LEADER SCREENING VERIFICATION FORM** LOCATION: \_\_\_\_\_

The safety and security of the students and leaders in your ministry is very important to Christ In Youth. CIY is unable to adequately screen every adult leader attending MIX events, and that is why we are counting on your initiative. CIY requests and strongly encourages you to seriously consider the safety of your group as well as that of other groups attending this event. CIY requires that all adults attending CIY events be screened as follows:

1. Submission of CIY's Adult Release & Disclosure Form. (completed electronically using the link provided)
2. Successful completion of a National Criminal and Sex Offender Background Check. (If a specific venue or location requires a different or additional level of background check that requirement must be met as well.)
3. Successful completion of an approved Abuse Awareness Training module.

It is the responsibility of each church group to ensure that the Adult Leader Screening Process is completed prior to arrival at the event. The person responsible for each church group (or his/her designee) must complete the following form related to Adult Leader Screening prior to the group attending the CIY event.

\_\_\_\_\_ Initial to the left to verify that a National Criminal and Sex Offender background check has been completed on each adult attending this event with your group in the last 12 months.

\_\_\_\_\_ Initial here to verify none of the leaders accompanying your students have had arrests or convictions of any kind on their background check.

If you did not initial the item above, contact [registration@ciy.com](mailto:registration@ciy.com) to be connected to the appropriate person to discuss the background check results with. This MUST be successfully complete prior to the event.

\_\_\_\_\_ Initial to the left to verify that all of the adults attending with your group have completed an approved Abuse Awareness Training module in the last 12 months.

I verify the above information is accurate to the best of my knowledge. I understand adults who have been convicted of a sex crime cannot attend MIX and that CIY reserves the right to remove any person from this event that in its sole discretion poses a threat to those in attendance.
