

Windermere Conference Center

1650 Koehler Drive Roach, MO 65787

Phone: 573.346.5200

Big 10 Questions:

<p>ONE. How many people stay to a room and what style are the rooms? The Wilderness Creek rooms are dorms and sleep 8. The Lake View rooms are lodge rooms and sleep 6 with 1 queen and 2 bunk beds. At Windermere, you will need your own bedding. ***NOTE: Rooms are assigned based on registration date.</p>	<p>TWO. What types of bathrooms are available in the dorms? The dorms each have their own bathroom. The different fixtures are separated making it easy for multiple person use.</p>
<p>THREE. Are the dorms air conditioned? Yes!</p>	<p>FOUR. Is there a pool on campus? Yes!</p>
<p>FIVE. What kinds of recreation options are available on campus? We have tennis courts, basketball courts (indoors and out), play grounds, mini golf, pool and lake swimming, water inflatables, canoes, kayaks, aqua bikes, paddle boats, and our ropes course.</p>	<p>SIX. What is the distance between the dorms, the main meeting space, and the cafeteria? The furthest distance between any of these is 1/2 mile, which is about a 15 minute walk at a very slow pace.</p>
<p>SEVEN. What are the food options available on campus? We have our dining hall as well as a snack shop that has smoothies, ice cream, candy bars, pretzels, popcorn, as well as hot food like pulled pork sandwiches, chicken tenders and curly fries.</p>	<p>EIGHT. What is the best restaurant on campus or nearby? We have almost any fast food you could want and the favorite would be El Caporal, our Mexican restaurant.</p>
<p>NINE. What is the best local activity or "thing to do"? We have paint ball, bowling, mini golf, go carts, laser tag, skeeball, Big Surf water park, and shopping. There are several other options on campus for additional costs including cave tours, ropes courses and boat rentals which all must be made in advance.</p>	<p>TEN. Why should I choose your campus? We have a fun campus that is also very safe. We are big but not too big. The students feel that they can get away without having to be under the constant eye of a chaperone but chaperones also feel like they won't lose their students. There is plenty to do on campus, but also a lot of recreation options in the area.</p>

Other Things to Know:

- Housing is camp-style. You will need your own bedding, soap, bath and hand towels, and you MAY have to share a cabin with other churches as the dorms sleep anywhere from 4-8 people. Fans might not be a bad idea as well as you will be staying in cabins—not dorms.
- There is little to no internet or cell phone service on site. Make sure to get all work and phone calls taken care of BEFORE arriving to ensure a better week.
- The main venue, cafeteria, and dorms are about 15 minutes from one another. There is PLENTY of parking on location, so feel free to bring vans to drive from one activity to the next as the walks can be long.
